

B.T.I.
Black[™]
maxx

100% Made in the USA

We always

INNOVATE
and never **IMITATE**

BTI has long been the leader and innovator in the pneumatic dry bulk trailer industry. We recently ran across a knock-off of our patented BlackMaxx[™] composite valve manufactured by a competitor. Among the knock-off product's many flaws is a dovetail valve seat design that has well-known installation problems.

BlackMaxx[™]

At BTI we offer a lifetime warranty on the valve body and a 2-year warranty on all other parts including our MaxxLife[™] seat – the competition offers no warranty that we could find.

If you are considering purchasing one of these inferior valves, give us a call and we will be more than happy to give you all the details on our findings.

Contact us at 1-800-841-5524 for information or for a BTI Distributor close to you!

All BTI products are guaranteed to:
LAST LONGER. WORK BETTER.
